- ✓ Attendance and speech in 9th Iran International Urology Congress (Resident`s field) March 2007
- ✓ Attendance and speech in 10th Iran International Urology Congress (Resident`s field) March 2008
- ✓ Attendance and speech in 1st Eastern Mediterranean Urology Congress (Antalia) (Resident`s field) March 2007
- ✓ Active membership of residency work shop for continues 4 years.
- ✓ Active membership of attendance in men health day (continues 5 years)
- ✓ Editorial member of Journal North Khorasan University of Medical Sciences (2012 - present)

Publications

Some selected papers

1. *Kidney stone formation and antioxidant effects of Cynodon dactylon decoction in male Wistar rats. (Avicenna Journal of Phytomedicine).2017*
2. *Effect of Biebersteinia multifida hydro – ethanol extract on proliferation and apoptosis of human prostate cancer and human embryonic kidney cells. (Avicenna Journal of Phytomedicine).2016*
3. *Cytotoxic evaluation of different fraction of salvia chorassanica Bunge on MCF-7 and Du 145 cell lines (Research in Pharmaceutical Sciences).2016*
4. *Dose enhancement by various nanoparticles in prostate Brachytherapy (Australas phys Eng SCI Med).2014*
5. *Mutations in Intron 8 and Intron 9 of Wilms' Tumor Genes in Members of Family with Ureteropelvic Junction Obstruction. (in gold Urology,USA)*
6. *Monti's procedure as an alternative technique in comple urethral distraction defect (International Braz J Urol)*
7. *Detection of Recurrent Bladder Cancer: NMP22 BladderChek Test or Urine Cytology? (in Urology Journal)*
8. *Clean Intermittent Catheterization With Triamcinolone Ointment Following Internal Urethrotomy. (in Urology Journal)*

9. *Endometriosis with Pure Urinary Symptoms. (in Urology Journal)*
10. *Does age affect outcomes of percutaneous nephrolithotomy? (in Urology Journal)*
11. *Tamsulosin and spontaneous ureteral stone expulsion (in persian).*
12. *Safety and efficacy of anticholinergic and α -blocker combination therapy in treatment of benign prostatic hyperplasia (in persian).*
13. *Efficacy of PCNL and ESWL on treatment of upper ureteral stone (in persian).*
14. *The role of Holmium Laser in Medical scientific field (in persian).*
15. *Effect of Botulinum neurotoxin type A injection in refractory idiopathic overactive bladder (Journal of North Khorasan University of Medical Sciences, summer 2011, Vol 3, Issue 2) (in persian).*
16. *Urodynamic finding in young men with chronic lower urinary tract symptoms (Journal of North Khorasan University of Medical Sciences, summer 2011, Vol 3, Issue 4) (in persian).*
17. *Effects of extracorporeal shock wave lithotripsy on semen (in persian).*

Research Projects

- 1- Characterization of arrangement of buccal epithelial cells on decellularized and cellularized bovine pericardium Scaffold (2016 ongoing).
- 2- Isolation, purification and structure elucidation of the bioactive compounds from the roots of *s.chorassanica bunge* and evaluation of cytotoxic activity of fractions of *s.chorassanica* on human cancer cell lines pc3, mcf-7 and (2012).
- 3- Investigating of the effects of cynod on dactyl on pers .decoction on calcium oxalate nephrolithiasis and oxidative stress in the male rat.(2012).
- 4- Changes fat mass during Ramadan fasting, (2011).
- 5- Changes blood factors (Col, TG, Fbs) during fat mass, (2011).
- 6- Detection of Recurrent Bladder Cancer: NMP22 BladderChek Test or Urine Cytology? (multi central study in Iran) (2008 - 2010).

Congress

1. Basic principles of laparoscopy in urology (10th Congress of Iranian Urological Association)
- 1- Star -liked internal urethrotomy (10th Congress of Iranian Urological Association)
- 2- Hypospadias buccal mucosal graft modification method (10th Congress of Iranian Urological Association)
- 3- Monti`s procedure in the management of complex urethral stricture (11th congress of Iranian Urological Association)
- 4- Magnetic resonance urethrography versus other modality in posterior urethroplasty (11th congress of Iranian Urological Association)

- 5- Appendicovesicostomy and complex urethral stricture (11th congress of Iranian Urological Association)
- 6- Female pelvic fracture and urethral injuries (11th congress of Iranian Urological Association)
- 7- Does age affect outcomes of percutaneous nephrolithotomy? (13th congress of Iranian Urological Association)
- 8- Detection of Recurrent Bladder Cancer: NMP22 BladderChek Test or Urine Cytology? (13th congress of Iranian Urological Association)
